

# ACSA'S SHOOTER'S ECHO

AUGUST 2011

## President's Corral

Howdy folks,

It looks like Railhead was a success with 209 shooters. Your board worked hard putting together the match and all the fun had by all. At times there were minor issues which were addressed when they came up.

We look forward to next year's Railhead hoping to make the match even better with all the input we got from all of you, the members and shooters.

We have listened to members in setting up the stages for our monthly matches in the heat. Under the cover of the permanent stages, I am sure you will enjoy the shade.

We have also considered a night match and are taking suggestions and input from you. Let a board member know what you think.

In addition to the night shoot, a swap meet, BBQ cook out or other fun activities for the members.

September's match in traditions of past will be a "get ready for Bordertown match" Up close and personal stages.

In closing I would personally like to thank the board and all of the volunteers at Railhead. Without you, we would not have had another great match. And we still have a gun safe to raffle at our banquet in January, see a board member for your tickets. Deputy Curly, President

Ultra Star Cinemas contacted ACSA, asking if we would be willing to send some of our members to the premier of the movie, COWBOYS VERSUS ALIENS. Members responding to this call were: Big Babe, Bright Eyes Bev, Earl Brasses, Whooper Crane, Damascus John, Cactus Wen, David and Boots Cameron. We started off by mingling with the crowd in the lobby, talking up the movie. When the movie was about to start, we were ushered to our reserved seats. When the movie was over, we again worked the crowd, letting everyone know what a treat they were in for. As the next movie was about to start, we addressed the audience, giving them the short version (costuming-Weapons) of who we are, where we shoot, inviting any interested to come out and see us. We were then free to leave.

Oh, did I mention the movie was free for all who showed up in costume. A good time was had by all!! Boots Cameron, Member at Large
