

HAPPY NEW YEARS

JANUARY 2011

President's Corral

Howdy all ACSA members,

Thank you for the opportunity to serve as President of ACSA and its members.

The vision I have is to make our club one of the finest clubs in Arizona or even all of SASS. with the support of volunteers and guidance from each member I want to make each match enjoyable for everyone.

I would also like to thank those who so graciously stepped up as a board member, Tularosa Jim as the Vice President, Sly Puppy as Treasure, Judge U Harshly as Secretary, Cactus Wen as Range Master, Arizona Gambler and Boots Cameron as Members at Large. I could not have hoped for a better board.

I also would like to thank the previous board under the guidance of Big Tim. Like any volunteer position, he did a great job bringing back Railhead and keeping the club moving forward. And the others Lil' Guns, Larsen E Pettifogger, Arizona Chuck....many thanks.

I am pleased to offer membership cards this year. We are diligently working to arrange stores for member discounts. This is an ongoing venture. We also will be offering a "Snowbird" membership with our shooters from the north who miss a lot of the excitement having a chance to participate and be heard as a member.

New targets are being purchased and you should be seeing them as we get them

We have also decided to support the Williams Sportsmans Club since they are kind enough to support Railhead. We are looking at providing them some of our old targets to get their group going. If you are a member of ACSA you get to shoot free at their club shoots.

Jus D and Blue Ridge have lead the Charge with Railhead and are working silently behind the scenes now.

Railhead is our clubs annual match which has been, in the past, viewed as a fun match and a place to be. So it would be great to see more members signing up early.

SHOOTER'S EXPO

Ben Avery will be holding the Shooter's Expo on 3/26 through 3/27. ACSA will have a stage or Two set up to showcase Cowboy Action Shooting.

We could use your help on any or all of the days. Spectators come through looking to try out all of the different shooting sports at this event. This is our chance to gain new members and friends.

It's always a good time and we look forward to seeing you there.
