

# ACSA'S SHOOTER'S ECHO

OCTOBER 2011

## President's Corral

Howdy shooters,

The club is coming along, the board is always working to make things fun and is soliciting ideas from the membership. We are working on shooting for the silver results as we get closer to years end. We are also planning the banquet with recognitions to top shooters and most importantly the volunteers. Without the volunteers, our shoots would be difficult to say the least.

We have an event coming up, we will have a table at the Crossroads of the West Gun Show in December to promote our club, handout flyers, and sell raffle tickets for the Gun Safe. All volunteers will be allowed free access to the show dressed in cowboy gear and food will be provided by the club.

By the time this is printed the Cabela's event will be past so I am hoping we had a good turn-out.

Deputy Curly, ACSA President

-----
